

Residential Heating and Cooling Equipment Certificate for Qualified Energy Property Tax Credits

The Tax Increase Prevention Act of 2015 extends the 25C tax credits that expired on December 31, 2014. Airtemp heating and cooling products, manufactured by Nortek Global HVAC, LLC certifies that the models or systems listed on the following page if placed in service after December 31, 2014, and before January 1, 2017, in a homeowners primary residence, meet the criteria of "Qualified Energy Property" as set forth by Section 25C of the Internal Revenue Code. The tax credit is up to 10% of the installed cost (up to \$500.00) for qualified equipment.

IMPORTANT NOTICE: For tax purposes, save your receipt and this Certification Statement. Nortek Global HVAC, LLC is not responsible for incorrect interpretation of IRS tax regulations. Please consult a tax professional if appropriate.
